

MICHIGAN DEPARTMENT OF ENVIRONMENTAL QUALITY

MICHIGAN'S FINE PARTICULATE MATTER (PM 2.5) STATE IMPLEMENTATION PLAN (SIP):

The Air Quality Division is holding a public comment period through March 5, 2008, on a proposed SIP for Southeast Michigan's PM 2.5 nonattainment area, including Livingston, Macomb, Monroe, Oakland, St. Clair, Washtenaw, and Wayne counties. The public comment period meets the public participation requirements for a SIP submittal.

Written comments should be sent to:

Attention: Mary Ann Halbeisen
Michigan Department of Environmental Quality
Air Quality Division
P.O. Box 30260
Lansing, Michigan 48909

TENTATIVE PUBLIC HEARING SCHEDULED:

If requested by March 5, 2008, a public hearing will be held on March 11, 2008, at 1:30 p.m., in the Constitution Hall, Lillian Hatcher Conference Room, 3rd Floor North, 525 West Allegan Street, Lansing, Michigan. Those interested may contact the Air Quality Division at 517-335-1059 after March 5, 2008, to determine if a hearing was requested and will be held.
